Chief Instructor's report: **Chief Instructors report June 2012**

We have had quite an active month since our last meeting. Both rally days were supported very well. Activities have included troop drill, flat work, games and jumping. Young riders were enthusiastic to practice the games in preparation for the Bendamere Shield. Thanks to Graham for helping to setup all the games and packing away the dressage arena. Hazel ran a good session with all riders opening and closing gates. Tania ran some good flatwork sessions. As always Morgann ran games and flatwork which were loud, exciting and great fun.

David Finch ran a great Show Jumping weekend for us. This was very well supported and although we had a wet start it ran very smoothly. David was very complementary about our riders and also how strong the club appears to be at the present time. It was agreed that we should book David again for later in the year.

Unfortunately the Bendamere Shield was canceled due to rain so we ran an impromptu rally day. We started with some book work and moved on to crossing the bridge, games and some jumping.

Many thanks to David for organising the bridge and gate which were delivered Thursday last week. I would also like to take this opportunity to thank David for providing us with the Portaloo, this has been a great help for the last two months.

Karen has started working towards her Instructors certificate and ran a number of games last rally day. Karen will be a great addition to our team of Instructors.

Steve
